

BDNY BROW DESIGN BDNY NEW YORK

WHAT TO EXPECT

DAY 1

I have new brows!
I think I like them, but
they're a little dark!

DAY 2-4

EEE, my eyebrows are
too dark and thick!

DAY 5-10

Oh no! My brows are
flaking and scabbing off!

DAY 8-10

Where are my brows?
They are light and uneven.

AFTER A FEW WEEKS

My brows are much better!
Just a little patchy.

AFTER FOLLOW UP APPOINTMENT

My eyebrows are beautiful!
I love them!

AFTERCARE

INSTRUCTIONS

Wash the treatment area morning and night for the first 10 days after initial session.

Mix cleanser with water, lather in gentle circles to cleanse the eyebrows. You may splash with water to rinse.

Pat the area dry with a clean cotton pad and apply a rice grain size amount of ointment on each eyebrow.

Except for washing as per directions, do not get the area wet for up to 10 days. This includes avoiding saunas, sweating and swimming.

Do not wear makeup around the treatment area for up to 7 days.

Do not scratch or irritate scabs.

Do not expose area to sun or UV light.

Avoid moisturizers especially those containing retinol.

Wash your hands thoroughly before applying ointment.
